Welcome to Safeguard

Thank you for giving us the opportunity to present you information on our Anti-slip product "SAFEGUARD". Especially for your self being responsible for the safety in your work place, we understand that this would be a high concern to you. As you know, you only need one person to accidentally slip & fall to create problems in the business. We believe you will not only reap the benefits for your staff's and customers safety but the fact of having peace of mind.

### Did You Know?

**More than 25,000 people go to hospital with injuries due to slip / fall accidents. Slip / fall accidents are the second leading cause of accidental death after automobile accidents. Slip / falls are also the number one cause of accidents in hotels, restaurants and public buildings. There are worker's compensation claims totaling over \$200 million per year. Last year the average slip/fall settlement approached the six figure range and continues to be a monumental problem.**

### The Solution

How would you like a product that can increase your floor surfaces slip resistance when wet? "SAFEGUARD" is one of the most sophisticated, long lasting and effective wet floor anti-slip treatment available, for both interior and exterior tiled floors, swimming pools, kitchens, bathrooms, bars, foyers, and entrances and can be applied to tiles, concrete, granite and terrazzo floors, plus will last for the entire lifetime of the surface. **Government's tests have shown that the grip test was increased to up to 92% when using the Anti-Slip product.** It is also a clean, odourless and easily maintained treatment that causes no change to the quality or visual appearance of your flooring.

### Time taken to treat your problem area.

We understand business especially Restaurants, Clubs and Shopping Centres prefer to have the treatment applied either early in the morning or late at night after operating hours. We work as close as possible around business hours. Depending on the meter-age and type of tile when applying the Anti-Slip, it normally does not take long to be treated once our technicians have made the preparation of the floor.

**10-YEAR GUARANTEE**

# SAFEGUARD

Anti-Slip Floor Treatment

## Plan Of Action.

- Treat your area when it's convenient to your business, early in morning or late at night.
- We will clean the area to be treated thoroughly (if needed).
- Treat your area with SAFEGUARD anti-slip.
- Double check areas and rinse off.
- Check area for Ph levels and neutralise area.

## Time to walk on after treatment.

It then can be walked on immediately and ready for business.

## Successful Treatments

On the right hand side of this page are just a few organizations that have used our ant-slip treatment combined with our parent company "Slip Gard" and now "SAFEGUARD".

"SAFEGUARD" is solely Australian owned with the product being manufactured by the company itself. SAFEGUARD is a safety-focused company and our products and service are second to none!

We would be pleased to share further benefits with you, if you have any further questions or queries about our product, please do not hesitate to call me.

You're sincerely
